COVID-19 EMERGENCY MEETING

Every Club was asked to survey their members for their response to our proposed new season commencing 18th July 2020 and finishing on 26th September 2020. HP tabled their responses in 'Combined Survey Response'.

IT WAS RESOLVED

9 Year Old Competition: The Committee believes that the social distancing rules which may still be in place leave it no option but to move the 9's Competition to a Thursday night Competition. This would then help with the volume of people at the courts and help separate patrons from each session.

All players should be given the opportunity to play as much as possible within the proposed 11 week Winter competition. Thus final series should involve all teams not just the top four teams in each age and grade.

Borrowing should be more flexible this year with black and white teams proposed. KNA Grading to run this area, ie based 100% on what Grading decides.

An opt-out IE to formulate our Opt-out clause for players who do not wish to play in this year's Winter Competition. The Committee believes that a full refund or a credit for next year should be given to players who do not want to play, subject to Governing bodies/Government advice. NSW Government will decide what happens to the \$100 Voucher and will advise us accordingly.

No Truncation payment will be offered for the shortened season this year. A normal season is 15 weeks. This year will be 11 weeks.

Spring Comp will go ahead as normal utilising Lofberg courts and possibly St Ives courts under lights. We must be mindful of the social distancing rules with respect to keeping space between courts.
